**Media and Outreach Assistant**

**Context:** I-Dare for Sustainable Development is a not-for-profit organization established in Oct. 2013. I Dare is a non-governmental Jordanian organization and not affiliated nor registered with any political party. As a social venture, the core of I-Dare actions is based on social marketing (community change behavior) from the early stages of idea development to the successful achievement of the desired impact. I–Dare believes in youth as the driving force towards development in its comprehensive sustainable concept where social, economic and political dimensions are equally respected. I-Dare exists to be the platform for the voice and efforts of young active citizens in transforming their societies to achieve remarkable success in all their endeavors.

**Timeframe:** 1 June – 30 Dec. 2019

**Activities:** to assist in activities related to media and outreach.
